2017 Instructors

Sam Cronk will present EL classes using MS Power Point and has extensive knowledge & experience with the interpretation and application of the National Electric Code. Cronk is certified as an ESI and Electrical Plans Examiner. *2017 NEC Changes* course will be offered on **ALL DATES**.

Jim Richardson has 23 years of experience in the plumbing/construction industry. Jim has experience working for non-union and union contractors, worked as a contractor as well as experience as a plumbing inspector for a Health Department and currently a Building Department.

Robert J. Schutz, P.E., is the retired Chief Building Official of the City of Powell (OH) and is currently a Plans Examiner for a local municipality in Central Ohio. Schutz previously was the Chief Plumbing Administrator for the State of Ohio and was a member of the Ohio Board of Building Standards.

Please check the Session you will attend:
